(U) Denmark – Motive Likely Not Terror in Mall Shooting

(U) Copenhagen – A gunman who killed three people when he opened fire in a crowded shopping mall acted alone and apparently selected his victims at random, Danish police said yesterday, all but ruling out that the attack was related to terrorism. Authorities filed preliminary charges of murder and attempted murder against a 22-year-old Danish man, who will be held for 24 days in a secure mental health facility while authorities investigate the crime, prosecutor Søren Harbo told reporters. Police have not identified a motive for Sunday’s attack inside one of Scandinavia’s biggest shopping centers. The suspect, carrying a rifle and knife, was quickly arrested, and Copenhagen chief police inspector Søren Thomassen said the man also had access to another gun. He said the firearms were obtained illegally but gave no further details.

(U) New Zealand – Proud Boys Declared Terrorist Organization

(U) Wellington – New Zealand’s government has declared that American far-right groups the Proud Boys and The Base are terrorist organizations. The two groups join 18 others including the Islamic State of Iraq and ash-Sham (ISIS) that have been given an official terrorist designation, making it illegal in New Zealand to fund, recruit or participate in the groups, and obligating authorities to act against them. The US groups are not known to be active in New Zealand, although the South Pacific nation has become more attuned to threats from the far-right after a white supremacist shot and killed 51 Muslim worshippers at two Christchurch mosques in 2019.
